Reduce your State Taxes

Arizona Tax Credit Program

Arizona Tax Credit Supports Schools

[Arizona Tax Law ARS 43-1089.01](#) allows Arizona taxpayers to claim a credit of up to \$200 per single taxpayer or \$400 per household if you contribute to extracurricular activities or character education programs in the Arizona public or charter school of your choice. This tax law provides you the opportunity to support your favorite student's school.

For Freeport– McMoRan Employees

Freeport will match donations to schools and non-profit organizations, including the AZ State tax credit donation. The program is fairly simple. A Freeport employee donates to the school, logs on to our matching gifts website:

<http://www.freeportinmycommunity.com/employees/employee-engagement-programs>

and fills out the form online. They can attach a receipt verifying their donation (printed on school letterhead) if they have one. If they don't attach a receipt, they need to provide an email address for someone at the school. Our system will then send an email and the school will log into our system to verify the donation.

Freeport double matches the first \$25 - \$1,000 employees donate. Anything over \$1,000 receives a single match. So a \$100 donation receives a \$200 match for a total of \$300.

So many programs in need of support.

Last year, taxpayers like you helped cover the costs of field trips, admissions to plays, concerts, parks, museums, nature camps and music, art and physical education programs. Simply put, tax credit donations make possible a wide range of learning opportunities that our children would not have otherwise. And you don't have to have a child in the school to benefit from this tax credit.
